

## New Hampshire Association of REALTORS®

TO: Board and State Association Leaders

RE: NHAR Honor Society

**RECOGNITION!** It is one of the benefits of our volunteer commitment in giving back to the REALTOR® organization through Association, board and committee participation, as well as civic involvement and the fostering of industry knowledge through ongoing education. Combined with our sense of accomplishment, the recognition we receive as leaders helps to fuel the progress of our industry. To this end, the New Hampshire Association of REALTORS® launched the NHAR Honor Society in 1980.

Attached is the form that will tell you if your REALTOR® activity places you in the Honor Society arena. All points are based on your activities from January 1 through December 31, 2019. Simply complete the form and submit it to your local Board for accreditation before March 15, 2020. If you total a minimum of 150 points of activity in '19, you are eligible to be an Honor Society member - if you take the time to think about the points, you will find that 150 points are *very easy* to find. Do you attend your Board's Membership Meetings, do you attend Educational Seminars, do you attend conventions; are you involved in any community activities? You'll be surprised how quickly and easily you can get to the minimum 150 points needed to qualify!!

In return for your time and effort (plus filling out the form) Honor Society members receive an attractive lapel pin (their first year) and a certificate suitable for framing which is awarded with special recognition at a local Board meeting. The REALTOR® with the highest point score from each Board receives a plaque.

You may include your Honor Society recognition in news releases, on your business cards, etc. Your colleagues, clients and customers will recognize the special REALTOR® leadership qualities evidenced by your Honor Society membership.

It costs nothing (nothing except your time) to join the Honor Society. On the other hand...your involvement in REALTOR® programs and your commitment to the REALTOR® ideals are valuable investments both for you and the REALTOR® organization. Why not get the recognition you have earned and deserve - and that NHAR and your local board would like to give you?

Please take the time to fill out the form...and best wishes for a productive and successful 2020. We look forward to awarding you your well-deserved membership in the NH Honor Society!!
