

The future, strengthened

The New Hampshire Realtors Leadership Academy was instituted in 2016 to enhance the leadership skills of members considering service in Realtor leadership positions at the local, state or national level, while augmenting their personal and professional lives as well.

A limited number of New Hampshire Realtor members are selected each class year, and they must commit to serve on an NHAR standing committee within the following two years.

The Academy is open to all New Hampshire Realtors and there is no charge to students, with the only requirement being an interest in strengthening individual leadership skills. Completion of the Leadership Academy is a qualification requirement for the NHAR offices of Second Vice President, First Vice President, President-Elect and President.

Applications are available online and must be returned along with supporting materials by January 31 of the class year.

Interviews are held by a Leadership Academy Task Force, and a limited number will be selected for this intensive leadership development program.

Ready to lead

As told by members of the Leadership Academy's inaugural class

As a newer agent and broker, I saw the New Hampshire Realtors Leadership Academy as an opportunity to grow as a professional, and it has far exceeded my expectations, both professionally and personally. The knowledge and skills I have learned, as well as the relationships I've built, are invaluable. I'm very grateful and proud to have been part of such an amazing program."

ADAM GAUDET

2020 NHAR Second Vice President, 603 Birch Realty

My participation in the Leadership Academy at the New Hampshire Realtors has given me insight into the true meaning of being a servant leader. I have formed solid relationships with other Realtors in the Academy from all over the state and from different backgrounds. These new relationships and leadership knowledge are pinnacles for meeting Association goals and the strategic plan."

RACHEL EAMES

2017 NHAR President, Eames Realty Services

If you've ever considered taking on a leadership role in any capacity, as a Realtor at the local, state or national level, you should consider enrolling in the NH Realtors Leadership Academy. Being a leader is as much about becoming a more confident and competent person as it is for becoming a leader. The New Hampshire Realtors Leadership Academy delivers what you need to become this person."
