As a member of NHAR, each REALTOR® also belongs to one of the local member boards and to the National Association of REALTORS® ("NAR"). Membership in NHAR is voluntary and is open to active real estate licensees in the State of New Hampshire.

All REALTORS® subscribe to and uphold a strict Code of Ethics that governs their business behavior in all real estate transactions.

The term "REALTOR®" is a licensed collective trademark which may be used only by members of the National Association of REALTORS® and its local associations.

## SECTION 2: ASSOCIATION GOVERNANCE POLICIES

---

### 2.1 RULES OF THE NEW HAMPSHIRE ASSOCIATION OF REALTORS®

An association may adopt or be issued various kinds of rules. Below is a historical narrative concerning the rules of the New Hampshire Association of REALTORS®.

NHAR was originally chartered and organized in the State of New Hampshire in 1933 as “The New Hampshire Real Estate Association.” Articles of Agreement were drawn on April 4, 1941, for “The New Hampshire Board of REALTORS,” the successor to the New Hampshire Real Estate Association, with the following object statement, *“To have a service organization in this State with membership in the National Association of Real Estate Boards. To promote better methods and practices of conducting the real estate business of our members. To promote education.”*

The most current document available is the “Charter for the New Hampshire Board of REALTORS,” issued on April 23, 1941, by the National Association of Real Estate Boards. The charter prescribes privileges and responsibilities, including the duty to abide by the constitution and bylaws and observe the Code of Ethics of the National Association of REALTORS®.

NHAR was granted tax-exempt, non-profit 501c(6) status by the U.S. Treasury Department, Internal Revenue Service on June 26, 1945, and has since been verified as remaining in effect as of December 2, 1992 from the Internal Revenue Service.

The NHAR Bylaws were adopted and are amended by the Board of Directors and ratified by the membership annually, as needed. (*Bylaws, Article XVIII*)

NHAR recognizes, in its Bylaws, the latest edition of Robert’s Rules of Order as the authority governing all meetings and conferences of NHAR when not in conflict with the NHAR Bylaws. (*Bylaws Article XVII*)

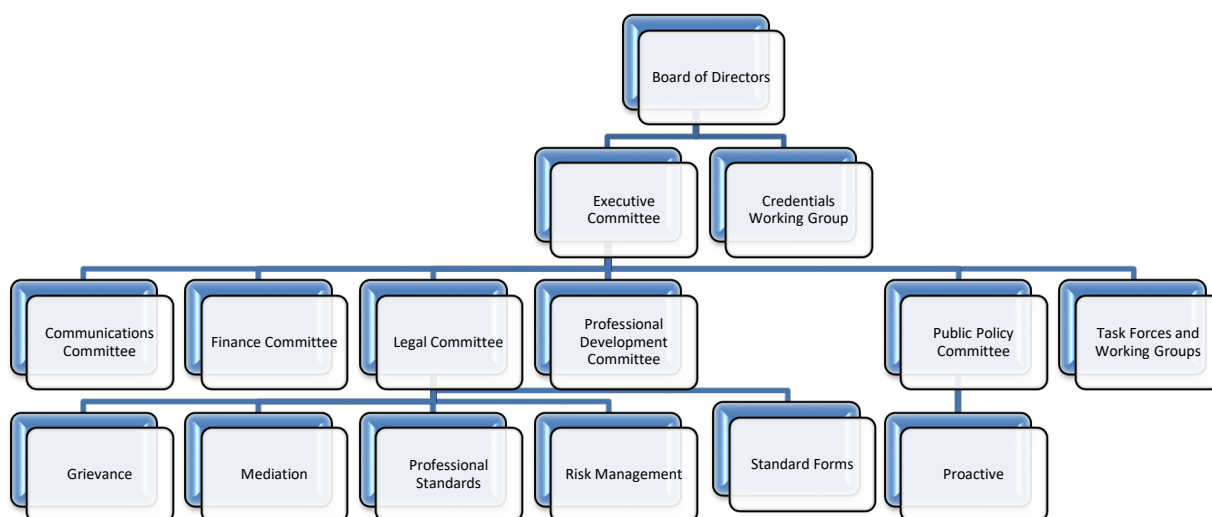

NHAR is subject to all provisions of local, state and national law and regulation applying to professional, trade, tax-exempt, non-profit 501c(6) corporations.

### 2.2 DEFINITIONS

The following shall serve as definitions for NHAR concerning the terms used in this policy manual and by NHAR generally:

1. **Articles and Bylaws** are rules governing the operation of the Association adopted by membership at large (with the advice and/or recommendations of the Board of Directors).
2. **Rules of Order and Standing Rules** are rules governing the operation of the Association adopted by the Board of Directors (with the advice and/or recommendation of staff).
3. **Positions** are descriptive narratives, sometimes including recommendations outlining the concerns and/or views of the Association members on current issues adopted by the Board of Directors in session (with the advice and/or recommendation of the staff).
4. **Programs** are activities relating to the Association adopted by the Board of Directors (with the advice and/or recommendation of staff).
5. **Policies** are general or fundamental principles relating to Association involvement adopted by the members of the Board of Directors (with the advice and/or recommendation of staff).
6. **Procedures** are the detailed explanations, directions or actions to implement adopted articles, bylaws, rules, positions, programs and policies selected and applied by staff. They address specific directions telling how, by whom and when things are to be done.

## 2.3 NHAR ORGANIZATIONAL CHART

## 2.4 DEFINITION AND ROLE OF THE BOARD OF DIRECTORS

The Bylaws of the New Hampshire Association of REALTORS® defines the Board of Directors as the governing body of the Association. The Bylaws further define the NHAR Elected Offices, all of which serve on the Board of Directors. (*Bylaws, Article V, Section 1 and Article IV, Section 1*)

Except as noted below, the Board of Directors of the New Hampshire Association of REALTORS® consists of the following *voting* members:

### Elected Executive Offices

- President
- President-Elect
- First Vice President
- Second Vice President
- Treasurer
- Secretary<sup>1</sup>

### Directors

- All Boards are entitled to two (2) State Directors, plus an additional Director(s) according to the following formula: Board membership submitted to NHAR as of July 31 of the current year multiplied by fourteen (14), with the sum divided by the total NHAR membership as of July 31 of the current year (result in whole numbers only).
- The three (3) most recent past Presidents of NHAR who continue active membership in NHAR
- The current NHAR Directors of the National Association of REALTORS®
- Each of the four (4) standing committee chairs: Communications, Legal, Professional Development, and Public Policy, and each of the four (4) Member Liaisons
- The current NHAR President of the Institutes, Councils and Societies of the National Association of REALTORS®

<sup>1</sup> The Chief Executive Officer serves as the Secretary but does not have a vote. (*Bylaws, Article IV, Section 1.d*)

1 A basic rule is that the legal entity, rather than the Board of Directors, is the holder of legal power. The  
 2 powers of the Directors are not inherent in them, but in the organization of such. The principle exists that  
 3 Directors exercise the powers of the organization, but do not own it. Thus, the Board of Directors has the  
 4 power and duty to carry on whatever transactions the corporation or the Association itself has the power to  
 5 carry on. The power of the Board of Directors is superior in ordinary matters, so long as it is exercised  
 6 lawfully and in lawful transactions.

7  
 8 Members of the Board of Directors shall have the utmost interests of the New Hampshire Association of  
 9 REALTORS® in mind at all times. In the event that any Director assumes a position that brings their  
 10 personal interests into conflict with the Association, then said Director immediately (and without delay) shall  
 11 disclose the conflict.

## 12 **2.5 STANDING RULES OF THE BOARD OF DIRECTORS**

- 13 1. The composition and the authority of the Board of Directors shall be as specified in the Bylaws.
- 14 2. Meetings of the Board of Directors shall be at designated times and places, as specified in the Bylaws  
 15 and set by the Directors. Absence from two (2) consecutive scheduled or special meetings without an  
 16 excuse deemed valid by the Executive Committee shall be construed as resignation. (*NHAR Bylaws,*  
 17 *Article V, Section 4*)
- 18 3. Meetings of the Board of Directors shall be chaired by the President and conducted in accordance with  
 19 the Bylaws and intent of the standing rules of the Board of Directors.
- 20 4. Only the voting members of the Board of Directors may vote on issues at their meetings. Visitors may  
 21 participate in discussion on issues when recognized by the President.
- 22 5. Only Board members and the Chief Executive Officer may attend Executive Sessions, unless the  
 23 President or a majority of the Board present and voting grants an exception.
- 24 6. Minutes shall be required for all meetings of the Board of Directors and shall include any actions taken  
 25 during an Executive Session. In the absence of the Secretary, the presiding officer shall be responsible  
 26 for recording any actions.
- 27 7. Adopted policies shall not be in conflict with the Bylaws and shall be included in the Policy Manual.
- 28 8. Non-agenda financial requests from the floor at NHAR Board of Directors Meetings, in excess of  
 29 \$10,000, require a 30-day prior notice to the Directors. (*Approved March 20, 2002 by the Board of*  
 30 *Directors*)

31 There shall be an Executive Committee of the Board of Directors, hereinafter referred to as the Executive  
 32 Committee, composed of the President, President-Elect, First Vice President, Second Vice President,  
 33 Treasurer, Immediate Past President, Secretary, Member Liaisons, and the Chairs of the Association's  
 34 Standing Committees as defined in Article VII of the Bylaws. The Executive Committee shall make  
 35 recommendations to the Board of Directors, shall transact all Association business between meetings of  
 36 the Board of Directors, and shall report such actions in full to the Board of Directors at its next meeting. The  
 37 Executive Committee is authorized to spend a maximum of ten thousand dollars (\$10,000) on a non-  
 38 budgeted action, providing that it be brought before the Finance Committee for their review and  
 39 recommendation. Proxy votes or alternate representatives are not provided for Executive Committee  
 40 actions except that the President-Elect may stand-in for the Association President position on the Executive  
 41 Committee should the President be unable to attend. (*Bylaws, Article V, Section 5*)

## 42 **2.6 STANDING RULES FOR MEMBERSHIP MEETINGS**

43 Meetings shall be conducted in accordance with the Bylaws and Standing Rules.

The annual Membership Meeting shall be held after August 1 and prior to December 31, and at least seven (7) days prior to the installation of Active Members to the Offices of the Association, and at a time and place designated by the President. (*Bylaws, Article VI, Section 1*)

## 1 3.6 CHAIRING A COMMITTEE

### 2 3 DUTIES, RESPONSIBILITIES AND SPECIAL INFORMATION

4 An appointment to chair a New Hampshire Association of REALTORS® committee presents a member  
5 with a special opportunity for service and leadership. Under your guidance, your committee will work toward  
6 goals and strategic directions established by the Association. The following is to help you in your task so  
7 that the year will be a time of accomplishment and fulfillment.

### 8 9 LEGAL LIABILITY

10 Committee Chairs are protected by blanket "errors & omissions" (E&O) and "directors & officers" (D&O)  
11 insurance policies, carried by the National Association of REALTORS®, for defense costs only relating to  
12 any litigation resulting from actions taken by a committee.

### 13 14 YOUR COMMITTEE

15 Subject to Executive Committee approval, the NHAR President selects all NHAR committee chairs, vice  
16 chairs and members. Some of your committee members may be new to committee work. From the  
17 beginning, strive to establish and maintain an atmosphere, which encourages participation. The more  
18 members participating, the more opportunities there are for enthusiastic and creative interaction, and for  
19 accomplishing the committee's objectives.

### 20 21 BUDGET

22 Your committee has an annual budget (if applicable) approved by the Board of Directors. It is your  
23 responsibility, with staff liaison assistance, to ensure that your committee's expenditures stay within its  
24 budget. No additional expenditures may be made without prior approval of the Finance and Executive  
25 Committees, and for expenditures in excess of \$10,000, the Board of Directors. Non-agenda financial  
26 requests from the floor at NHAR Board of Directors Meetings, in excess of \$10,000, require a 30-day prior  
27 notice to the Directors. *(Approved March 20, 2002, by the Board of Directors)*

### 28 29 30 MEETINGS

31 The Chair may call committee meetings at any time, keeping in mind that there are regular meetings of the  
32 Board of Directors and regular meetings of the Executive Committee scheduled each year.

### 33 34 STAFF ASSISTANCE

35 Each committee has an assigned NHAR staff person to assist your efforts. Early in the year, you should  
36 meet with your staff person to discuss committee objectives and procedures. Your staff liaison is  
37 responsible for:

- 38 Implementing committee policies and projects.
- 39 Advising you on Association policies and procedures.
- 40 Conveying current information.
- 41 Keeping the official minutes of your committee.
- 42 Providing continuity from year to year.

### 43 44 MINUTES

45 As the official records of your committee meetings, minutes must be accurate. Minutes often are referred  
46 to from year to year and usually are the basis for your reports to the Executive Committee and Board of  
47 Directors. They are kept on file at the NHAR office. NHAR committee minutes are concise and directed to  
48 action items only, omitting discussion points. They also do not include the "makers" or "seconders" of  
49 motions, instead using "It was **MOVED, SECONDED AND VOTED**". Minutes will be available to all  
50 members of NHAR.

### 51 52 REPORTS

53 You submit reports of committee activity to the Executive Committee and Board of Directors. It is your  
54 responsibility to report specific items, such as actions/recommendations, needing approval of the Executive  
55 Committee and/or Board of Directors. All reports will be clear, concise and available to the members of  
56 NHAR.

1  
2 Committees cannot pass motions affecting finances and policy. Items requiring expenditures up to \$10,000  
3 must be directed to the Finance and Executive Committees. Items over \$10,000 must go to Finance and  
4 Executive Committees and then to the Board of Directors for final action. Non-agenda financial requests  
5 from the floor at NHAR Board of Directors Meetings, in excess of \$10,000, require a 30-day prior notice to  
6 the Directors. (*Approved March 20, 2002 by the Board of Directors*) Any recommended NHAR policy  
7 changes must be directed to the Executive Committee and Board of Directors. Proposed Bylaws  
8 amendments or nominations for elected office are directed to the Annual or a Special Meeting of the  
9 Membership.

## 10 **BOARD OF DIRECTORS**

11 If the Executive Committee has concurred with your recommendations, you may move for acceptance by  
12 the Directors. If Executive Committee recommendations vary from those of your committee, you still may  
13 present the report to the Directors but a member of the Executive Committee will report its decision as well.  
14 Your staff liaison will assist you in the process. **SPECIAL NOTE:** For more detailed information see  
15 "Committee Chair's Reporting Procedures" section.  
16

## 17 **DISCRETION – MORE IMPORTANT THAN EVER**

18 Although your committee has passed a motion or recommendation, it does not become official until  
19 approved by the Executive Committee and/or Board of Directors. There is also the possibility that it will not  
20 be approved. For this reason, it is important to resist dissemination or implementation of the proposal before  
21 final action by the appropriate body.  
22

## 23 **ASSOCIATION POLICIES**

24 Committee members may wish to introduce motions that involve procedures, finances, changes in policy,  
25 further study, or opinion from legal counsel. A reminder of Association policies in these matters can prevent  
26 unnecessary discussions.  
27

28  
29 Committees cannot pass motions affecting finances and policy. They can only vote recommendations that  
30 the Chair presents to the Finance and/or Executive Committee for consideration and approval.  
31

## 32 **BEFORE THE MEETING**

33 Although you will have an agenda, you should also consult your staff liaison before the meeting about items  
34 to be discussed and current committee business. You should review a recent copy of "Robert's Rules of  
35 Order" to assist you in chairing your meeting. A well-planned agenda that proceeds on time toward  
36 measurable goals will usually ensure good attendance.  
37

## 38 **THE MEETING ITSELF**

39 Conducting a meeting is a challenging job. The following is a quick checklist of points to remember:

- 40 (1) Follow your agenda and watch the time.
- 41 (2) Encourage participation but keep all discussions to the point.
- 42 (3) Recognize each member that wishes to speak; discourage side conversations and interruptions;  
43 defer recognizing those who have already spoken until all others that wish to speak have had the  
44 opportunity.
- 45 (4) Speakers who are difficult to understand should be reminded to speak more clearly, when  
46 necessary. At times, you may wish to summarize their points.
- 47 (5) Invite constructive criticism and disagreements, ask for support, obtain a consensus, and then  
48 move to the next topic.
- 49 (6) As the presiding officer, you are neutral. If you disagree with a speaker, you may ask questions but  
50 don't argue.
- 51 (7) **When you wish to comment, relinquish the chair to the vice chair** and ask for the floor as a  
52 participant until discussion of the particular topic has ended.
- 53 (8) Motions should clearly express the committee's intentions. To frame effective motions:  
54 (a) Entertain only one main motion at a time.  
55 (b) Be sure that each motion is seconded.  
56 (c) The motion should be clearly stated (and seconded) before discussion begins.

- 1 (d) The member who makes the motion should have the first opportunity to discuss.  
 2 (e) If voting is public, you may vote only to make or break a tie. If the vote is by secret ballot, you  
 3 may vote along with everyone.  
 4 (9) The most common type of votes you will call for are:  
 5 (a) Majority: More than half the votes cast, but not more than half the members present. Some  
 6 may not care to vote. Used in elections and on most motions.  
 7 (b) Two-thirds of the vote cast. Used only with motions.  
 8 (c) Plurality: More than any other candidate. Used in elections to save time.  
 9 (d) General consent: A short cut so the committee can act without going through the process  
 10 of a general vote. Used on motions where there seems to be a general agreement among the committee  
 11 members.  
 12 (10) The most common ways to vote are acclamation or voice, show of hands, rising, secret ballot and  
 13 roll call.  
 14 (11) The meeting should not be adjourned until the committee is satisfied that all subjects have been  
 15 adequately covered.  
 16 (12) If uninvited guests wish to speak, you can be tactful and firm, but you are **NOT** required to give  
 17 them the floor. You might consider announcing basic etiquette for guests at the beginning of the meeting:  
 18 i.e., seating is in the area designated for guests (not at main table), participation in the meeting is limited  
 19 strictly to committee members and guests who have been invited for a special purpose, material should not  
 20 be removed from the table.

## 21 **COMMITTEE CHAIR'S REPORTING PROCEDURES**

### 22 **PREPARING THE RECOMMENDATIONS**

23  
 24 Chairs should endeavor to make certain that any motions approved for subsequent presentation to the  
 25 Finance and/or Executive Committee and the Board of Directors are:  
 26

- 27  
 28 (1) Items requiring budgetary appropriation not previously considered and planned for.  
 29 (2) Items that constitute a change in policy of the Association, including operating policy of the  
 30 Committee.  
 31 (3) Items that would establish a new policy or program for NHAR.  
 32

33 Recommendations that are questionable as to their appropriateness for presentation should be discussed  
 34 with the Committee's staff liaison who will then seek advice, as necessary, to resolve the matter  
 35 appropriately.  
 36

37 Committee Chairs and members should recognize the importance of preparing clear and concise  
 38 recommendations for presentation to the Executive Committee and the Board of Directors.  
 39

### 40 **WHO SHOULD APPEAR**

41 Most committee requests would be presented, orally or in writing (minutes), by way of the Committee Chair  
 42 with the assistance of the CEO, to the Finance Committee, Executive Committee and/or the Board of  
 43 Directors.  
 44

### 45 **ACTION OF THE EXECUTIVE COMMITTEE**

46 The members of the Executive Committee will review the individual recommendations and make  
 47 recommendation for approval or modification as the case may be. The NHAR Bylaws state that "The  
 48 government of the Association shall be vested in a Board of Directors,..." The Board of Directors has voted  
 49 that matters involving expenditures of less than \$10,000 may be resolved by the Executive Committee.  
 50 Non-agenda financial requests from the floor at NHAR Board of Directors Meetings, in excess of \$10,000,  
 51 require a 30-day prior notice to the Directors. *(Approved March 20, 2002, by the Board of Directors)*  
 52

### 53 **CONTROVERSIAL RECOMMENDATIONS**

54 Some controversial recommendations may require lengthy discussion during Executive Committee or  
 55 Board of Director meetings and the President will give ample time for the committee members or the

1 Directors to express their viewpoints, pro and con, towards the recommendation. Following discussion, the  
 2 President will call for a vote and the matter will be concluded.

### 4 **APPROVED RECOMMENDATIONS**

5 After final approval of any recommendation or proposal, the originating committee, with assistance of the  
 6 staff liaison, should proceed to implement. It is the chair's responsibility to see that implementation follows  
 7 the final approval exactly, i.e., amount of monies approved, time frames, condition of contracts, etc.

## 9 **3.7 ISSUES MOBILIZATION FUND**

### 11 **3.7.1 NEW HAMPSHIRE ASSOCIATION OF REALTORS® ISSUES MOBILIZATION FUND**

##### 15 **Guidelines for Appropriate Expenditures**

16 Requests for financial assistance from a State Association Committee or Local Board, concerning state or

 48 REALTORS® and the New Hampshire Association of REALTORS® standing policy, as reviewed by the  
 49 Public Policy and Executive Committee.

##### 51 **Local Boards**

52  
 53 The Issues Mobilization program should or shall be made a permanent part of a Local Board's political  
 54 program, and its purpose and structure should be written into the Board's By-laws and/or operating policy.

55 An existing, permanent standing Local Board Committee may assume the responsibility and functions of  
 56 an Issues Mobilization program with duties to be completed including: Fundraising voluntary contributions

1 from the membership and others, monitoring and anticipating public policy issues that affect the real estate  
2 industry, and carrying through with any public advocacy efforts as funded by the IMF.

### 3 4 State Association Committees

5  
6 A State Association Committee may qualify for receiving IMF funds if they follow the funding and  
7 disbursement criteria as outlined by the National IMF Committee. A State Association Committee  
8 requesting funds from IMF must have a mechanism for monitoring and anticipating public policy issues  
9 affecting the real estate industry, as well as carrying through with any public advocacy efforts as funded by  
10 IMF.

### 11 12 Matching Funds

#### 13 14 Funding and Disbursement Criteria

15  
16 A Local Board or State Association Committee, after receiving funds for a public advocacy campaign, may

27 well as the Board's Executive Officer, when applicable.

28 All applications submitted for funding by a State Association Committee must have the signature of the

30 Government Affairs.

#### 31 32 Procedure for the IMFC to Determine Expenditure

33  
34 Upon receipt of the Application for Funding Request Form, the IMF Staff Executive will initially review and  
35 then forward all information to the members of the IMF for their review.

36 At the next regularly scheduled meeting a formal, oral presentation may be administered by representative  
37 of either the Local Board or State Association Committee to the IMF committee at the point.

38  
39 As expeditiously as possible, the IMFC will take one of the following actions pursuant to the review of the  
40 application: (1) grant funding request in full; (2) grant a portion of funding request; (3) deny funding request;  
41 (4) provide funding request if certain conditions are met (as determined by the IMFC); (5) postpone a  
42 decision until the IMFC receives more definitive information; (6) fund requests in increments.

43  
44 The Staff Executive will complete the actions taken by the IMFC and provide appropriate follow-up.

#### 45 46 Follow-up

47  
48 A campaign follow-up report to the IMFC is due within 30 days following receipt of funds. A final report,  
49 together with an account of the funding provided, is due following resolution of the issue.

50 Failure to provide a campaign follow-up report will be taken into consideration on future funding requests.  
51

## 52 **3.8 ELECTRONIC MEETINGS**

53  
54 The advent of electronic means for conducting business requires that the Association develop a policy  
55 pertaining to the electronic transaction of business. Per the Bylaws, Article VI, Section 6, "To the

---

1 fullest extent permitted by law, Association meetings may be conducted by electronic means.” New  
2 Hampshire law does not prohibit electronic meetings.

3  
4 This policy shall apply to all meetings of the Association and shall apply to synchronous and  
5 asynchronous mediums.

6  
7 The use of electronic meetings is subject to:

- 8 • Budgetary constraints associated with teleconferencing services and web-based meeting  
9 services.
- 10 • The number of meeting participants that can reasonably be managed using the electronic  
11 medium.
- 12 • Prior concurrence by the committee members or board of directors as the case may be.  
13

14 Synchronous communications mediums are defined as those that require all parties in multiple  
15 physical locations to be connected simultaneously. Examples include teleconferencing for audio-only  
16 communications, and the “WebEx” online service combined with teleconferencing for audio and visual  
17 communications.

18  
19 Asynchronous communications mediums are defined as those that do not require all parties to be  
20 connected simultaneously, Examples include email, “LISTSERVS” and web-based surveys,  
21

22 The rationale for holding synchronous electronic meetings includes weather-related issues which  
23 prevent a traditional in-person meeting from being held, committee meeting agendas containing  
24 business that could reasonably be transacted via an electronic meeting, and a consensus of the  
25 committee members that a meeting is in order but that the electronic meeting is the preferable method  
26 due to the cost and time required for travel to and from the Association office.  
27

28 The rationale for holding an asynchronous electronic meeting should be limited to specific instances  
29 where the body is required to vote on one or more motions that are non-controversial and are time-  
30 sensitive but that cannot be reasonably resolved using a synchronous electronic meeting. Examples  
31 include a postponed or cancelled regularly scheduled traditional in-person meeting of a body too large  
32 to be accommodated via a teleconference and web-based meeting service.  
33

34 Procedures for synchronous electronic meetings:

- 35 1. The standing rules of the Association will be followed.
- 36 2. Robert’s Rules of Order, latest edition, shall be recognized as the authority governing all  
37 meetings.
- 38 3. In addition to the agenda, minutes from previous meeting(s) and other appropriate materials,  
39 the meeting notice will include the date, time, the call-in number for teleconferencing, and if  
40 used, a link to the synchronous web-based meeting service used by the Association,
- 41 4. At the specified time, members shall register to establish a quorum.
- 42 5. Once a quorum is reached, as defined by the standing rules of the committee, the chairperson  
43 may begin the meeting.
- 44 6. The names of the members and contact information for the specified committee will serve as  
45 the basis of the meeting roster, and these members constitute the deliberative assembly as  
46 included in the meeting minutes.
- 47 7. The chairperson announces that a quorum has been reached, lists the names of the members  
48 present, and starts the meeting.
- 49 8. To be considered “present” at a meeting means that one has access to a telephone for  
50 teleconferences only, and a computer connected to the internet and capable of operating the  
51 web-based meeting service used by the Association for combined teleconferencing and web-  
52 based meetings. Therefore, being present is defined as having the ability, electronically, to  
53 follow the on-going conversation of the meeting and participate fully over the meeting time.
- 54 9. Members not part of the opening quorum may participate in the meeting, respond to the  
55 electronic discourse, and vote as appropriate after being added to the meeting roster.

- 
- 1 10. The meeting will adjourn at the stated time unless a member makes a motion extend the
  - 2 meeting and that motion is passed.
  - 3 11. The chairperson will officially declare the meeting is adjourned after a motion to adjourn has
  - 4 passed.
  - 5 12. Members may comment upon and respond to others' statements, but all communications,
  - 6 verbal or typewritten, must be addressed to the chairperson and accessible to all members.
  - 7 13. All motions are recorded in the minutes.
  - 8 14. The chairperson must "recognize" individual members to comment since simultaneous voice
  - 9 and data communications will bring disorder to a synchronous meeting.
  - 10 15. Contributions should be succinct.
  - 11 16. Secondary motions (including point of order inquiries) are addressed in the order they are
  - 12 received. A legitimate point of order may interrupt the proceedings. All messages that arrive
  - 13 while a point of order is addressed are set aside until the point of order is settled. If the point
  - 14 of order is appealed by a member, the chairperson will temporarily suspend discussion on the
  - 15 motion until a final ruling is made by a vote of the committee as a whole.
  - 16 17. General rules for voting:
  - 17 a. Members will forward their votes via voice as called upon by the chair, or
  - 18 electronically via the web-based service, to the committee as a whole and the chair
  - 19 will tabulate the votes.
  - 20 18. The Association Secretary or the committee staff liaison, as appropriate, is responsible for
  - 21 recording the minutes of the meeting.
  - 22

23 Procedures for asynchronous electronic meetings:

- 24 1. The standing rules of the Association will be followed.
- 25 2. Robert's Rules of Order, latest edition, shall be recognized as the authority governing all
- 26 meetings.
- 27 3. The body will first approve of the use of this method for the purpose of resolving one or more
- 28 non-controversial time-sensitive motions pending from a cancelled or postponed traditional in-
- 29 person meeting of the body due to weather or other unforeseen circumstance (lack of quorum
- 30 as an example), and that cannot be reasonably resolved via a synchronous electronic meeting.
- 31 a. This approval can be in the form of an email to the body with a date and time certain
- 32 response required requesting a "Yes" or "No" vote to hold the electronic meeting. This
- 33 shall be a majority vote of the official committee membership to pass.
- 34 4. The meeting notice will include the date, time, and a link to the asynchronous web-based
- 35 service used by the Association,
- 36 5. At the specified time, members shall register to establish a quorum.
- 37 6. Once a quorum is reached, as defined by the standing rules of the committee, the chairperson
- 38 may begin the meeting.
- 39 7. The names of the members and contact information for the specified committee will serve as
- 40 the basis of the meeting roster, and these members constitute the deliberative assembly as
- 41 included in the meeting minutes.
- 42 8. The chairperson announces that a quorum has been reached, lists the names of the members
- 43 present, and starts the meeting.
- 44 9. To be considered "present" at a meeting means that one has access to a computer connected
- 45 to the internet and capable of operating the web-based service used by the Association for an
- 46 asynchronous meeting.
- 47 10. Members not part of the opening quorum may participate in the meeting, respond to the
- 48 electronic discourse, and vote as appropriate after being added to the meeting roster.
- 49 11. The meeting will adjourn at the stated time.
- 50 12. The chairperson will officially declare the meeting is adjourned at the time stated in the
- 51 meeting notice.
- 52 13. All motions are recorded in the minutes.
- 53 14. General rules for voting:
- 54 a. Members will vote via the web-based service, generally in the form of a survey with
- 55 "Yes", "No" or "Abstain" options for each motion. This shall be a two-thirds majority
- 56 vote of the quorum to pass.

- 
- 1 15. At the conclusion of the predetermined voting period the chair will tabulate the votes.
  - 2 16. The Association Secretary or the committee staff liaison, as appropriate, is responsible for
  - 3 recording the minutes of the meeting.
  - 4

The Treasurer and Chief Executive Officer are ultimately responsible for the budget. An annual budget will be prepared for each fiscal year and presented to the Finance Committee, Executive Committee and Board of Directors for approval. The following time frame is a guideline for those participating in the budget process.

Mid August for review and approval

- All three budgets to Executive Committee

Late August/Early September for review and approval

- All three budgets to Board of Directors not later than two (2) weeks prior to the next scheduled meeting date of the Board of Directors.

Committee and administrative budget submittals should be as detailed as possible indicating what the request is for and when it is needed. Some budget submittals may be general in nature, but should be accompanied by a general discussion of the purpose for the request.

### 4.3 INVESTMENT POLICY STATEMENT OF PURPOSE

*(Approved by the NHAR Board of Directors on June 15, 2011)*

This policy statement outlines the goals and investment objectives of the Investment Portfolio (Portfolio) for The New Hampshire Association of REALTORS® (NHAR).

Since this document is intended to provide guidelines for NHAR and their investment advisors responsible for managing the Portfolio's assets, it outlines certain specific investment policies, which will govern how those goals are to be achieved. This statement:

Describes an appropriate risk posture for the investment of the Portfolio's assets;

Specifies the target asset allocation policy;

Establishes investment guidelines regarding the selection of investment managers, permissible securities and diversification of assets;

Specifies the criteria for evaluating the performance of the Portfolio's investment managers and of the Portfolio as a whole; and

Defines the responsibilities of NHAR, their investment advisors, and the other parties responsible for the management of the Portfolio assets.

These policies should reflect the Portfolio's current status and NHAR's philosophy regarding the investment of assets. These policies will be reviewed and revised periodically to ensure they adequately reflect any changes related to the Portfolio, the financial status of NHAR, and the capital markets.

#### RISK AND RETURN

In a context of Capital Preservation, the NHAR Finance Committee's primary goal is to protect working capital while making every effort to maximize interest earned on fixed income securities in a short duration portfolio.

Recognizing the need to offset inflation, a portion of the portfolio is to be committed to a longer-term strategy. The long-term money, invested to improve the probability of an improved return, is to be invested in equity and will be limited to a fixed percentage of the overall portfolio.

The Finance Committee imposes no social constraints.

### 17 **4.5 CONTRACT GUIDELINES**

18 All contracts to be developed or considered for signature must be reviewed by the Chief Executive Officer  
19 and/or general counsel. If there is any doubt as to the determination of whether a particular situation  
20 requires a contract, the Chief Executive Officer will provide guidance.

22 The Chief Executive Officer shall execute all contracts for budgeted items.

#### 24 **Elements**

25 The specific terms of contracts covered by this procedure may vary depending on such factors as the goods  
26 or services to be provided, the particular contractor, the risk to the Association, etc. Therefore, it is not  
27 possible to specify a model contract. There are, however, basic elements, which should be included in all  
28 contracts.

29 These are:

- 30       • The parties to the contract must be specifically named.
- 31       • Scope of work or services should adequately specify the work to be performed.
- 32       • Cost and payment schedule (specifying that payments will not exceed the percentage of the work  
33       performed).
- 34       • Term of the contract.
- 35       • Frequency and type of reports to be provided.

37 Depending on the subject of the contract and other factors, other clauses may be added on an individual  
38 basis.

40 In order to avoid problems, which will impede the negotiation process, requests for proposals should include  
41 a list of those clauses the Association will require in a given contract. In order to assure the inclusion of all  
42 appropriate clauses, the Chief Executive Officer should be consulted prior to the release of requests for  
43 proposals.

45 Copies of draft or final contracts shall not be disseminated outside the Association without prior review by  
46 the Chief Executive Officer and/or general counsel. Further, no employee, officer or member, other than  
47 those specifically authorized to do so, shall make oral commitments on behalf of the Association.

#### 49 **Processing Procedures**

50 The originator shall submit proposed contract documents to the Chief Executive Officer for signature.

52 Normally, only two copies of a contract are signed. Exceptions will be made only when there are more than  
53 two parties to the contract or where some other requirements (such as with government) must be met.  
54 Exceptions are to be noted on the covering memorandum.

---

1 An original of the completed contract is to be returned to the Chief Executive Officer or his/her designee for  
2 retention and filing. No payments will be made to any contractor until the Chief Executive Officer or his/her  
3 designee has received an executed copy of the contract.  
4

30 requests for a particular fiscal year must be received prior to December 31 of that fiscal year.  
31

##### 32 **Reimbursable General Expenses**

Section 2. Professional Standards hearings and the organization and procedures incident thereto shall be governed by the Code of Ethics and Arbitration Manual of the Association, as from time to time amended, which by this reference is made a part of these Bylaws. *(Amended 03/04)*

Section 3. If a Board Member (as defined in Article II, Section 3, of these Bylaws) or other Member, who is a REALTOR® member, resigns from the Member Board or otherwise causes membership to terminate with an ethics complaint pending, the board of directors of that Member Board may condition the right of the resigning Member to reapply for membership upon the applicant's certification that

---

he/she will submit to the pending ethics proceeding and will abide by the decision of the hearing panel.  
(Amended 03/04, 06/15)

- (a) If a Board Member (as defined in Article II, Section 3, of these bylaws) or other Member, who is a REALTOR® member, resigns or otherwise causes membership to terminate, the duty to submit to arbitration continues in effect even after membership lapses or is terminated, provided that the dispute arose while the former member was a REALTOR®.

**APPENDIX B**  
**GUIDELINES FOR THE NHAR LEGAL DEFENSE FUND**

---

Guidelines For The  
**NHAR LEGAL DEFENSE ACCOUNT**

As Approved by BOD 6/27/01

PURPOSE

There is hereby established the New Hampshire Association of REALTORS® LEGAL DEFENSE ACCOUNT, established for the purpose of paying extraordinary expenses to defend the State Association and to assist its Boards and members in adverse suits. At no time, except by specific vote of the Board of Directors, shall the reserve portion of the account exceed \$50,000. Any interest from the LEGAL DEFENSE ACCOUNT shall be deposited in a timely fashion into the NHAR General Fund, as per Directors vote 10/17/84.

DEFENSE

NHAR DEFENSE - In addition to being used to defend the Association in adverse suits, the LEGAL DEFENSE ACCOUNT may also be used to file or support a legal case that is in the best interest of the Association, its members, its local Boards or the real estate industry as a whole.

BOARD ASSISTANCE - Allocations may be made from the LEGAL RESERVE ACCOUNT to assist local Boards in their own legal defense matters. Normally, this would be to pay part of the Board's deductible from their Errors and Omissions Insurance funds. Before any NHAR payment is made to the Boards, the local Board must first have paid at least as much as the requested NHAR payment for defense of the case and also must have notified NAR for enacting of their E&O and D&O coverage as appropriate.

MEMBER ASSISTANCE - Allocations may be made from the LEGAL DEFENSE ACCOUNT to assist individual NHAR members in their own legal defense matters, whether as defendant or plaintiff. However, the matter must have statewide member, Association and/or real estate industry significance. Assistance may be in the form of any "amicus curiae brief" drawn by the NHAR legal counsel at the appeal stage of a suit. Allocations normally will not be made in cases where one NHAR member has filed suit against another NHAR member.

REQUESTS

All requests for allocations from the LEGAL DEFENSE ACCOUNT must be made on a form provided by NHAR to the New Hampshire Association of REALTORS®, 11 S Main St, Suite 301, Concord, New Hampshire 03301. No telephone requests shall be considered. Copies of such requests shall be delivered to the NHAR Chief Executive Officer at the above address. Requests shall include a summary of the merits of the case; the name, addresses and case relationships of the parties; the name, address and telephone number of the person requesting the allocation; anticipated trial, appeal or other dates and copies of related documentation. This material shall become the property of NHAR whether or not an allocation is granted. In turn, the Legal Action Fund Working Group will attempt to reach its decision on the case as soon as possible, after receipt of all material.

REVIEW

All requests for allocations from the LEGAL DEFENSE ACCOUNT must first be reviewed by a Legal Action Working Group appointed by the NHAR President, for recommendations for allocations to the Executive Committee and /or the Board of Directors. The Executive Committee may approve recommended allocations of up to \$10,000 per case, but all allocations shall be reported to the Board of Directors at the next regularly scheduled meeting. NHAR legal counsel also shall review and advise on all allocation requests before recommendations are made to the Executive Committee and/or the Board of Directors. Legal counsel's written advisory shall be attached to all requests.

You are strongly encouraged to serve on at least one committee since the accomplishment of NHAR's objectives starts at the committee level.

##### **IF I AM A DIRECTOR, WHY IS IT SO IMPORTANT THAT I SERVE ON A COMMITTEE?**
